

DRII BCP 501 TRAINING

Business Continuity Management

An unbelievable amount of information is packed into this newly updated, fast-paced course built for experienced business continuity professionals. If you're in a hurry to take your career to the next level, **Business Continuity Review (BCP501)** is for you. This short yet highly effective refresher course will re-acquaint you with the key elements of business continuity and is based on the recently revamped DRI Professional Practices for Business Continuity Management – the most utilized and time-tested standard in the field.

Experienced instructors are focused on providing you with the tools you need to pass the new Qualifying Examination, which is the first step toward becoming a DRI Certified Business Continuity Professional (CBCP), Associate Business Continuity Professional (ABCP), Master Business Continuity Professional (MBCP), Certified Functional Continuity Professional (CFCP), or Certified Business Continuity Vendor (CBCV).

Training Objective

1. Review The Professional Practices for Business Continuity Management body of knowledge designed to assist in the development, implementation, and maintenance of business continuity programs.
2. Highlight the terms and methodologies presented in The International Glossary for Resiliency and Professional Practices.
3. Prepare you for the Qualifying Examination

Qualifying Examination

Every certified professional, and vendor must take and pass the Qualifying Examination before they can apply to any level or designation for certification. The Qualifying Examination is step one of a two-part certification process. DRI International administers the only professional Exam in Business Continuity Planning.

The Qualifying Examination consists of a multiple-choice format test covering the subject areas of the Professional Practices for Business Continuity Management. It takes 2-1/2 hours to complete the exam and requires a passing grade. Successful completion of the examination qualifies an individual to subsequently apply for any level of DRI certification. The fee for the Qualifying Examination is included in the price of the BCP 501 DRI International training course.
